

Select Basement Waterproofing

Dear Jerome,

We would like to take this opportunity to thank you for solving our longstanding basement problem. After two years of continuous problems and disappointment, we finally have a dry basement. It's because of your hard work and thoughtfulness that our problem is solved.

We were very pleased with the quality of workmanship. Additionally, we appreciate the courtesy and consideration shown by you and your crew. We are pleased to recommend you to any future clients.

Thanks again for your help.

Sincerely,

Marty
