

Jerome at Select Basement Water Proofing

Jerome, I wanted to take this time to thank you and your crew for doing such a quick and professional job waterproofing my basement.

I had several companies come to give estimates for basement waterproofing. All companies were similar in price, however I was impressed with your quality products and the fact that there were no hidden costs.

Your men came to my house on time, ready to work, and were polite and courteous. I was very impressed with the quick installation of your system which included battery backups. I know I don't have to worry about my basement flooding again.

Feel free to use me as a reference. I would be happy to refer your company as qualified and efficient basement waterproofers which met all of my expectations.

Thank you,  
Stephen and Donna Boehler
